Annex to the note verbale dated 10 December 2007 from the Permanent Mission of Grenada to the United Nations addressed to the Chairman of the Committee

Report on the implementation of resolution 1737 (2006)

1. In keeping with resolution 1737 (2006) as it pertains to Iranian-nuclear programmes, Grenada does not possess the capability to produce uranium and other nuclear fuel products within its tri-island State.

2. The Ports Authority and Customs of Grenada remain steadfastly vigilant in ensuring that they prevent the supply or transfer of nuclear product materials directly or indirectly from the ports within the State of Grenada via vessels and/or aircraft.

3. Grenada stands committed to notifying the Committee of the entry of transit through its tri-island State of persons designated in the annex to resolution 1737 (2006).

4. Grenada stands committed to freezing the funds, other financial assets and economic resources that have been lodged in the State that are owned or controlled by the persons or entities designated in the annex to resolution 1737 (2006) and to informing the Committee of that action.

5. Grenada remains extremely vigilant with a view to preventing specialized teaching or training related to sensitive nuclear activities and the development of nuclear weapons delivery systems.

6. In respect of specific paragraphs referred to in resolution 1737 (2006), Grenada and Iran have no diplomatic relations. However, Grenada views as its obligation, the necessity to report to the Committee anything that contravenes the resolution 1737 (2006).
